

Understanding the Mysteries of the Teenage Brain

Come to a **FREE** Luncheon and Presentation by:
Educational Consultant Kenneth J. Horne, MA.

Join us as we humorously explore the Mysteries of the Teenage Brain. You will leave with **NEW INSIGHT** into how & why teenagers think, when they do. Along with ideas for how to improve your communication & interactions with your teenagers.

When: Saturday, November 9, 2013

FREE Luncheon served at 11:00 a.m.

Presentation following 11:30a.m.-1:30p.m.

Where: Cass City High School – Cafeteria

*Presentation is sponsored by the Huron and Tuscola County Health Departments Abstinence Program and is **FREE**, but space is limited. Please register to reserve your spot.
